Training

We are experimenting with a training session for our novice ringers. On Saturday 31 March we have booked Conisbrough bells and church rooms. For this session we intend to focus on Plain Hunt up to 8 and Plain Bob Doubles. We invite novice and competent ringers to join us. Please contact the **Secretary** as soon as possible or before the 26 March and state either Plain Hunt, Plain Bob or helper. Names gathered will be counted for tea which will be held in the church rooms across the car park from the church. Should there be sufficient time after the learners' practice we shall have open ringing until 5.00 pm and there may be the opportunity to ring Terina's chosen methods for Conisbrough. We shall finish with evening ringing at Thrybergh. Please make time to join us and help in the success of this venture.
